ESTHETICIAN

Course of Study
600 Clock Hours

DESCRIPTION OF THE PROGRAM

ESTHETICIAN COURSE (Hybrid-Theory Online)

This course covers the overall subject of skin care, hair removal, make-up, and eyelash application. Successful completion of this course and passing the State Board Examination and Licensure allow the esthetician to perform all skills needed to be a Skin Care Specialist, Make-Up Artist, Hair Remover, Salon Owner, Salon Manager, Beauty Product Sales Representative, and Product Demonstrator. The course will consist of 600 clock hours which includes technical instruction and practical operations covering all practices constituting the art of skin care.

SCHOOL HOURS

Mon-Fri: 8:30AM - 9PM
Saturday: 9AM - 6 PM
Sunday: Closed

ESTHETICIAN EDUCATIONAL MISSION AND OBJECTIVE

THE ESTHETICIAN mission and objective is to provide quality instruction which will prepare students to pass the State Board of Cosmetology Examination for their course, and prepare all students with the necessary skills and knowledge for entry level positions in the beauty industry. This course covers the overall subject of estheticians. Jade Beauty and Barber College continually monitors and maintains the quality of its program of study in accordance with the standards set forth by the State Board of Cosmetology.

- Esthetician program includes 600 hours of theory and practical
- Tuition: Jade Beauty and Barber College has a payment plan without interest. The institution accepts funds from Work2Future, opportunity funds, and others.
- Tools, books, and supplies are offered through the school. Students can get help preparing their own custom kit that fits their budget. A basic kit costs from \$600.00 and up.

ESTHETICIAN EDUCATION OVERVIEW

Esthetician students will be taught, learn and practice on manikins heads, or on a person the following subjects:

1. Facial: Manual, electrical and chemicals forms of cleansing, scientific manipulations, packs, and masks. Electrical Facials include the use of electrical modalities, dermal lights, and electrical apparatus for facials and skin care purposes of the following
