Saturday: 9AM - 6 PM

Sunday: Closed

## NAIL CARE EDUCATIONAL MISSION AND OBJECTIVE

THE NAIL CARE mission and objective is to provide quality instruction which will prepare students to pass the State Board of Cosmetology Examination for their course, and prepare all students with the necessary skills and knowledge for entry level positions in the beauty industry. This course covers the overall subject of manicure, and pedicure. Jade Beauty and Barber College continually monitors and maintains the quality of its program of study in accordance with the standards set forth by the State Board of Cosmetology.

- Nail Care program includes 400 hours of theory and practical
- Tuition: Jade Beauty and Barber College has a payment plan without interest. The institution accepts funds from Work2Future, opportunity funds, and others.
- Tools, books, and supplies are offered through the school. Students can get help preparing their own custom kit that fits their budget. A basic kit costs from \$500.00 and up.

# NAIL CARE EDUCATION OVERVIEW

Nail care students will be taught, learn and practice on manikins hands, or on a person the following subjects:

1. Manicures and Pedicures: Water and oil manicures, hand and arm foot massage.
