# COSMETOLOGY

Course of Study  
1,600 Clock Hours

## DESCRIPTION OF THE PROGRAM

### COSMETOLOGY HYBRID COURSE (Hybrid-Theory Online)

This course covers the overall subject of cosmetology, hair care, skin care, manicure and pedicure. Successful completion of this course, passing the State Board Examination, and a license allows the Cosmetologist to be a Hair stylist, Skilled in Chemical Applications, Skin care technician, Manicurist, Pedicurist, Salon Manager, Beauty Product Sales Representative, and Product Demonstrator. The course will consist of 1600 clock hours consisting of technical instruction and practical operations covering all practices constituting the art of cosmetology.

### SCHOOL HOURS

Mon-Fri: 8:30AM - 9PM  
Saturday: 9AM - 6 PM  
Sunday: Closed

# COSMETOLOGY EDUCATIONAL MISSION AND OBJECTIVE

THE COSMETOLOGY mission and objective is to provide quality instruction which will prepare students to pass the State Board of Cosmetology Examination for their course, and prepare all students with the necessary skills and knowledge for entry level positions in the beauty industry such as a hair stylist, hair colorist, skin care technician, manicurist, pedicurist, nail artist, salon manager, beauty product sales representative, and product demonstrator. Jade Beauty and Barber College continually monitors and maintains the quality of its program of study in accordance with the standards set forth by the State Board of Cosmetology.

- Cosmetology program includes 1,600 hours of theory and practical
- Tuition: Jade Beauty and Barber College has a payment plan without interest. The institution accepts funds from Work2Future, opportunity funds, and others.
- Tools, books, and supplies are offered through the school. Students can get help preparing their own custom kit that fits their budget. A basic kit costs from \$700.00 and up.

# COSMETOLOGY EDUCATION OVERVIEW

Cosmetology students will be taught, learn and practice on manikins heads and hands, or on a person the following subjects:

1. Hair cut for men and women using scissors, thinning shears, clipper, trimmer, and razor on wet and dry hair.
2. Chemicals: Hair analysis, colors, bleaching, high and lowlights, color remover chemicals, hair straightening, permanent waving, predisposition and strand tests.
3. Hair styling: Hair analysis, shampoo, blower styling, pin curling, finger waving, comb out, straightening and waving with hot tools, up-do, and braiding.
4. Facial: Manual and chemical facial, packs, masks, electrical modalities, dermal lights and electrical apparatus, waxing, tweezing, and make up.
5. Nail care: Pedicure, manicure, nail analysis, hand/foot and arm/ankle massage, and artificial nail (acrylic nail, gels, nail repair, drawing...).
6. Salon business: Communication skills, receptionist, professional ethics, salesmanship, record keeping, and client service records.
7. Health and safety: Disinfection and sanitation, safety, and customer protection.
8. Other subjects: Cosmetology chemistry, purpose of cosmetics, nail, hair and skin care, chemical of makeup, skin peels. Chemical and physical changes of matter. Hazardous substances, protection from hazardous chemicals and preventing chemical injuries, ergonomics, theory of electricity in cosmetology, bacteriology, communicable diseases, Material Safety Data Sheets. Human anatomy and physiology.
9. Law and regulations: The Barbering and Cosmetology Act and the Board's Rules and Regulations.
10. A Cosmetologist license will be granted by the State Board of Barber and Cosmetology of California only after students graduated from the Cosmetology course and passed the Cosmetology Stated Board Exam with an overall average of 75%.
